MEMORANDUM FOR: The Honorable  
Allen W. Dulles  
Director, Central Intelligence Agency

SUBJECT: Estimated Communist Expenditures on Propaganda

Several years ago (1957) USIA, with assistance from CIA, compiled estimates of Communist expenditures on propaganda directed at non-Communist countries. It is becoming more and more evident that we need to up-date these estimates, for diplomatic, propaganda and informational, Congressional presentation and other valuable uses.

Your Agency and USIA have the best sources for obtaining this information. If you agree, I suggest we each designate two members to serve on a joint task force to work out the details of compiling and consolidating this data. My representative would be Mr. Richard S. Barnsley, Deputy Director of our Office of Research and Analysis.
